for your paper of Sunday 10th  
if wanted  
book will be out 15th

## "Specimen Days"

Walt Whitman's new volume  
of autobiography and collected  
prose writings, just ~~being published~~  
~~coming out~~ being brought out  
by Rees Welsh & Co., of Phila:  
Delphia, the present publishers  
of "Leaves of Grass," contains the  
following:

ben be" but have seen over

- a Father & Son "

of Years "

Short: a story of the East for a list "

the Sacred Army "

in Blossom "

in Retire " is

it named ~~by~~ what you want,

to send any of these let me know

possible I should like to have

in again but if you require to

re-birthen so

Yours Truly
